ABOUT THE WOMEN'S UNIVERSITY

Veeranari Chakali Ilamma Women's University (VCIWU) is the first Women's University in Telangana, established on 22 April 2022 by the Government of Telangana. It was formed by upgrading the historic University College for Women, Koti, a pioneering institution in women's education established in 1924 under Osmania University. Located in the iconic British Residency campus at Koti, Hyderabad, spread across 42 acres on the banks of the Musi River, the University blends a rich academic legacy with modern educational excellence.

Recognized by the University Grants Commission (UGC) under Section 2(f) in March 2025, VCIWU is empowered to award degrees and expand its academic vision. The University offers 40 undergraduate, 22 postgraduate and 2 diploma programmes across both conventional and emerging fields, including Data Science, Food Science, Fashion Design & Technology, Business Analytics, and Medical Lab Sciences. With a vibrant academic ecosystem serving over 6,900 women students, supported by highly qualified faculty, effective administration and modern infrastructure, VCIWU is committed to women's empowerment, academic excellence, innovation and social progress.

ABOUT VEERANARI CHAKALI ILAMMA - A SYMBOL OF COURAGE & RESISTANCE

Chityala Ilamma, popularly known as Chakali Ilamma, was a courageous revolutionary leader who fought against feudal oppression and injustice in Telangana. Born on 26 September 1895 in Krishnapuram village, Warangal district, she became a powerful voice for land rights, dignity, and social justice. She played a significant role in the "land for the tiller" movement (1940-1947) and later supported the Telangana peasant struggle. Despite threats and harassment from feudal landlords, she fearlessly defended her land and rights. Her home also served as a place of support and shelter for those involved in the movement.

Chakali Ilamma's life symbolized courage, self-respect, women's empowerment, equality, and resistance to oppression. Her legacy continues to inspire generations in the pursuit of justice, dignity, and farmers' rights. She passed away on 10 September 1985. Today, Chakali Ilamma is remembered as an enduring symbol of bravery, resistance, and social justice in Telangana.
